The Problems

Your vendors are not in business to save you money!

You're on your own

It's your responsibility to find savings. When was the last time your vendor called to save you money?

Unpublished Rates

Not knowing the best rates costs your company money. Are you sure you're taking advantage of unpublished rates?

New Promotions

Time sensitive & unknown promotions cause lost savings. If you miss a promotion how much will that cost you over time?

The Solution

We are in business to ensure you pay your vendors the least amount possible every month.

20-40%
Instant Savings

Initial Review

Our line-by-line review of your invoices will significantly lower your bills and ensure you're paying the least amount possible.

Monthly Management

The Real Value ensures you pay the least amount possible.

Every month we go line-by-line making sure you never miss billing errors, time sensitive promotions, and rate changes, which result in lost savings compounded over time.

On-going Support

Save Time & Frustration

Never waste time again on hold. Mobilia will make sure your needs are met and completed in a timely manner.

Benefits

Risk Free

Your review is free. You choose which savings to implement, if any. We simply earn a portion of the approved savings.

Saving Time

We use our knowledge and experience to help manage monthly bills, saving your staff time they can spend growing your business.

Saving Frustration

Many of our analysts have worked for many of the vendors you are paying, so we are experts in dealing with the constant changes with your vendors.

Saving Money

Our Monthly Management ensures you never miss another promotion, billing error, or opportunity to optimize savings, guaranteeing you pay less and save more over time.

Pricing

50%
of your savings

No upfront costs.

We split the savings 50/50.

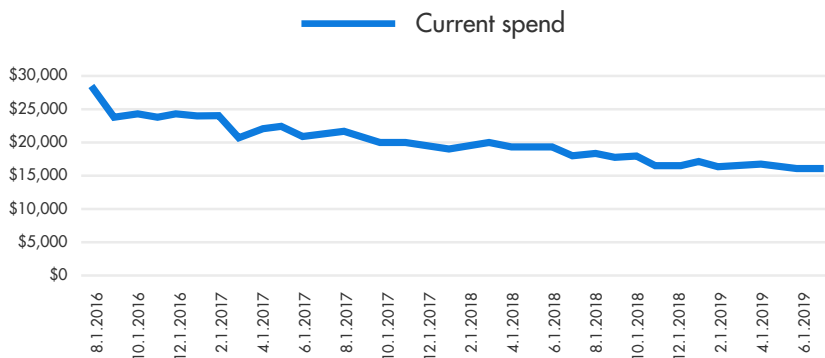

We only bill for validated savings.

We Pay You to Manage Your Account.

Testimonials

DLC Resources

“Choosing Mobilia was a good decision for our company. Their business proposition is simple. They don’t get paid unless they provide savings. We will save tens of thousands of dollars in the coming year from Mobilia’s review process and ongoing watchful eye. I would strongly recommend Mobilia to anyone.”

Rodrigo Fernandez - It Manager

Evening Post Industries

“Mobilia Consulting reviewed our cell phone expenses and found major savings that surpassed our expectations. We are grateful to Mobilia for finding and correcting significant billing errors.”

Ron Cartledge - President Shared Services

The Branch Group

“I was very impressed by the savings Mobilia achieved. I consider myself to be frugal, but there’s simply no way we could have devoted the internal resources the way Mobilia could with their staff and expertise. I consider our review with Mobilia to be one of the best choices I’ve made in business.”

Melanie Wheeler - Chief Financial Officer

UTRS

“Mobilia located significant savings for our technology firm. We were very impressed with the professionalism of Mobilia’s team. The audit was not an intrusion, required no budgeting, and we are only paying a percentage of savings found.”

Marc Snyderman - Chief Operating Officer
